THE CT CONNECTION

Chris Thomas has had the fortunate experience of racing for three decades. Starting in 1987, Chris has created a life behind the wheel whilst persuing a career in fitness. Off track - Chris is a SYDNEY MANAGER of Personal Trainers at FITNESS FIRST and is motivated to challenge and create the best outcomes for his clients.

Chris has joined our Phoenix Family - not only to perform and represent us well on track - but to introduce fitness to our broken veterans; first responders and - abused, neglected, suicidal and homeless troubled children & teenagers - via our video hub link. Chris will also be guiding me to create a safe gym space for training at all retreats.

A family man of two boys - Chris 's ambition in motorsport is to keep driving at a competitive level for the next 20 years.

Life ambition - to continue to stay healthy and active!

Chris is looking forward to connecting and networking with people who can teach him new skills and experiences.
